## **Christmas Ski Pass**

December 15th, 2017 to January 5th, 2018

### *Registration form*

Our Christmas ski pass, for only **\$50!** Do you have family visiting for the holidays? Or students returning home from college? Or maybe you know someone who would like to try skiing who has lots of time over the Christmas season?

A Christmas ski pass is a laminated individualized day pass that has a 3-week life span. From December 15th to January 5th, instead of paying for day passes at each visit to Onion Lake Ski Trails, the bearer of the pass is allowed unlimited skiing. The pass is not a membership, and the same "*ski at your own risk*" message is applied as it is to all day-pass skiers.

To get your Christmas pass, fill in this form and get it and cash/cheque to Cathy ASAP--by mail (5053 Huckleberry Lane, Terrace V8G 0B4), by leaving it in an envelope in the locked day-pass box at the lodge, or by pre-arranged drop off (call 635-7397 for this option).
